## **Public Notice: Products Stolen During Armed Robbery**

On Monday, 6 July 2026, Orion Audio Visual was targeted in a planned armed robbery at our premises.

A group of approximately ten individuals entered the property and held members of our team at gunpoint while removing a substantial quantity of stock. This was an extremely traumatic experience for everyone who was present.

We would like to thank our friends, suppliers, dealers, clients and members of the wider industry for the support and well wishes we have received. We sincerely apologise for any delays or inconvenience caused to our clients as a result of the incident.

### **The products and serial numbers listed below were stolen from Orion Audio Visual during the armed robbery:**

Members of the public, dealers and industry partners are urged to exercise caution when purchasing Orion Audio Visual brands from private individuals, online marketplaces or unauthorised sellers.

Should you be offered one of these products, please safely record the seller's details, advertisement information and contact details, and report the matter to Orion Audio Visual and the investigating authorities. Do not confront the seller or place yourself in danger.

We appreciate the continued support and cooperation of our clients, suppliers, dealers and the wider audio-visual community.

## Be aware that the goods were purchased at gun point.

These products were not sold, distributed or released by Orion Audio Visual. They were removed from our premises at gunpoint.

Any product matching the listed serial numbers must be treated as stolen property. Please do not purchase it.

# TAIDEN®
